ENVIRONMENT

- Environmentally Improved Production Process: reduced energy consumption, reuse and recycling of waste.

GREEN STAR

- DIVA can be used on white furniture certified to Ecospecifier, AFRDI, GECA and ECNZ.
- The Green Star Rating Tool states "Where at least 90% of an item's mass is certified to a GBCA recognised standard, the item can be entered as a certified product at Level A, B or C." Therefore any fabric can be used as fabrics are almost always under 10% by weight of a furniture item.
