

## FINISHED LEATHER CARE INSTRUCTIONS

### Contemporary Leathers Collection

#### Regular Care

- Protect from direct sunlight, heating source and weather.
- Dust on a regular basis with a clean dry cloth.

#### Cleaning

- Gently remove all spills immediately.
- Do not scrub or rub hard.
- Do not use shoe polish, saddle soap or unidentified leather cleaners.
- Use proprietary leather cleaners only in strict accordance with manufacturer's instructions.
- Regularly clean contact areas such as arms and headrests to avoid build-up of perspiration and body oils.
- Dust before cleaning, if vacuuming use soft attachment.
- Use proprietary leather conditioner regularly in strict accordance with manufacturer's instructions.
- Dry in shade away from heat.

#### Spot Cleaning

- Clean as above.
- Professional cleaning may be required for persistent stains.

Please Note: Failure to regularly maintain leather may lead to a build-up of perspiration and body oils that may discolour leather.
