- ORBIT is free of phthalates and heavy metals

PRODUCT INSTALLATION

- Please refer to installation instructions for EcoSkin SF supplied with each shipment. A copy is also available on our website or obtained by contacting your nearest office or agent.
- All material must be installed in numerical sequence as cut from the roll.

CARE + MAINTENANCE

- Exclusive PointeShield® protection for easy care surface. PointeShield® does not protect against intentional stains such as permanent marker.
- General Cleaning: Most soiling and ballpoint pen marks (except permanent marker) can be wiped away with a clean dry cloth. Ensure cloth is non-abrasive to avoid scratching the wallcovering surface.
- Please refer to the EcoSkin SF care and maintenance instructions, which is available on our website or obtained by contacting your nearest office or agent.

WARRANTY

- EcoSkin™ contains anti-bacterial + mildew agent to resist mould and other microbial growth. However mould will grow if moisture and water is allowed to accumulate and this is not covered by warranty.
- For a period of 3 years from date of invoice this wallcovering is guaranteed to be first quality and free of manufacturing defects. This warranty applies only to professionally applied installations according to the recommended installation instructions, and use of proper care and maintenance using appropriate cleaning agents as outlined in the care and maintenance document.
