

CARE INSTRUCTIONS V4

TICKLE Vinyl

Regular Care

- Protect from direct sunlight.
- Remove dust by wiping with soft, lint free cloth.
- Wipe the soiled area with a clean colourfast cloth using a solution of mild soap and clean water.
- Then wipe with fresh water using a clean cloth and then wipe dry.

Cleaning

- Prompt cleaning of spills and stains is recommended.
- Gently wipe any soil or liquid from the surface with a clean soft cloth.
- Test any cleaning products on an inconspicuous area for colourfastness prior to commencing cleaning.
- Remove all traces of any cleaning product by wiping with fresh water and a clean cloth.
- Dry away from direct heat and sunlight.

For specific soiling refer below:

Food Stains

- Wipe affected area with a soft colourfast cloth using a non-abrasive cleaner. Then wipe with fresh water using a clean cloth and then wipe dry.

Healthcare ie blood / urine

- Wipe the soiled area with 20% solution of household bleach and water. Then wipe with fresh water using a clean cloth and then wipe dry.

Difficult Stains i.e. makeup, grease, crayon

- Wipe affected area with a 50% solution of Isopropyl Alcohol and water, or a 25% solution of bleach and water. Then wipe with fresh water using a clean cloth and then wipe dry.

Ink Stains i.e. ballpoint pen, markers

- To achieve the best results it is recommended that ink stains are cleaned immediately.
- Blot the mark with undiluted Isopropyl Alcohol. Then wipe with fresh water using a clean cloth and then wipe dry.
