

ANILINE LEATHER CARE INSTRUCTIONS

Contemporary Leathers Collection

Regular Care

- Protect from direct sunlight, heating source and weather.
- Dust on a regular basis with a clean dry cloth.

Cleaning

- Gently remove all spills immediately with dry clean cloth.
- Do not scrub or rub hard.
- Do not use damp cloth.
- Do not use shoe polish, saddle soap or unidentified leather cleaners, pastes or abrasives.
- Use proprietary leather cleaners only in strict accordance with manufacturer's instructions.
- Regularly clean contact areas such as arms and headrests to avoid build-up of perspiration and body oils.
- Dust before cleaning, if vacuuming use soft attachment.
- We recommend cleaning by specialists using only proprietary leather care products appropriate to leather type.
- Dry in shade away from heat.

Spot Cleaning

- Clean as above.
- Professional cleaning may be required for persistent stains.

Please Note: Failure to regularly maintain leather may lead to a build-up of perspiration and body oils that may discolour leather.
