- All material must be installed in sequence as cut from the roll.

CARE + MAINTENANCE

- The natural fibres and dyes used in this product may deteriorate when cleaned. It is not recommended to attempt to clean with soap and water.
- Instyle is not responsible for damage to these goods during cleaning processes
- Instyle recommends you hold additional meterage and piece in additional material when required.
- General maintenance can be achieved with periodic dusting or vacuuming with a soft brush attachment.
- Due to the delicate nature of the finishes, care must be taken not to damage or mark the surface due to abrasion / rubbing
- Please refer to the DENIM care and maintenance instructions for further details. A copy is available on our website.

WARRANTY

- For a period of 3 years from date of invoice this wallcovering is guaranteed to be first quality and free of manufacturing defects. This warranty applies only to professionally applied installations according to the recommended hanging instructions, and proper care and maintenance using appropriate cleaning agents as outlined in the care and maintenance instructions.
