	Av. Specific Extinction Area 94.7m <sup>2</sup> /kg	
APPLICATION	Upholstery seating, screen, wall panel Ideal for healthcare, hospitality, workplace, public building, education and residential applications	
PLEASE NOTE	Results from performance tests are guidelines only	

## PERFORMANCE

- Combining the latest technology in integrated fabric systems, HAVEN is a heavy-duty commercial textile with a moisture barrier and stain resistant finish to provide enhanced cleanability.
- Unlike many high performance fabrics, HAVEN features the additional performance properties of a bleach-cleanable fabric with a liquid barrier backing while retaining the beauty, character and softness of a woven textile that is easy to upholster
- Durable, moisture resistant, easy to clean + bleach cleanable, thereby increasing the life of the product.

## ENVIRONMENT

- HAVEN has no added fire retardant, antibacterial or antimicrobial chemicals and is free of lead, heavy metals, BPA, TRIS, formaldehyde and conflict minerals.
- Low VOC certified

## GREEN STAR

HAVEN can contribute points to the following Green Star criteria:

- Low-VOC
- HAVEN can be used on white furniture certified to Ecospecifier, AFRDI, ECNZ and GECA. The Green Star Rating Tool states "Where at least 90% of an item's mass is certified to a GBCA recognised standard, the item can be entered as a certified product at Level A, B or C." Therefore any fabric can be used as fabrics are almost always under 10% by weight of a furniture item

## LEED

HAVEN can contribute points to the following LEED criteria:

- Low-VOC

## WELL

HAVEN can contribute to the following WELL criteria:

- Low VOC / VOC Reduction
- Toxic Material Reduction: HAVEN is free of PFCs, flame retardants, phthalates + urea formaldehyde
