ORIGIN Made in Australia

EDGING Natural anodised aluminium edging are available for all Ecoustic® Panel thicknesses + T Trims in natural or black anodised

PLEASE NOTE Results from performance tests are guidelines only.
Onsite trimming to square each individual panel is essential.
This is a screen printed product.
Variation in thickness, fibre mix and colour as well as flecks + other slight surface blemishes are an inherent feature of this product and are unavoidable. Variation from batch to batch may occur.
Interior products must be protected from direct heat + sunlight.

WARRANTY 5 year conditional warranty against manufacturing defects. This applies to internal installation only, outdoor use will void any warranty.

BENEFITS

Improved Pinability: Ecoustic® Panel + Screen features an improved pinability compared to similar panel products.

Lightweight, Easy to Handle + Install: Ecoustic® is an intelligent alternative to traditional panels composed of multiple materials such as particle board, fabric, foam and adhesive.

Designed for the Environment

Giving Back: % of sales are donated to the Nature Conservancy.

Building Rating Systems: Ecoustic® Baayi will contribute the following points for Green Star, LEED + WELL building standards.

Criteria	Green Star	LEED	WELL
